Seasonal Massages of the Month

You can Give yourself the Gift of Relaxation Each and Every Month!

SAVE BIG when you **Purchase 12 Months of SPA** as a Yearly or Monthly Package

January – Float Your Body CBD Massage!

Start off the new decade with a light-as-air whipped body mousse kneading that is yours for the taking! You'll drift off into a sunny state of mind when skin is massaged with U.S. grown, non-GMO botanical oils to give you all the nourishing vibes you deserve. This fluffy blend is also abundant with vitamin C and **full spectrum hemp oil rich with cannabinoids to bring out your most natural glow and ease of movement.** Float on, friend!

February – You Take the Cake Massage & Gift!

Be your own Valentine this year- sink into the sweetest spa experience ever! After a warm Nectar whole milk foot soak and a sweet cream exfoliating scrub, you'll be dolloped and massaged with a white velvet buttercream scented shea butter cream! The real frosting is on the complimentary "cupcake" you'll be served. And the sweetest part… **you'll take home your very own Whoopie Shea Butter Cream or Velvet Sundae Shea Butter Cream** so you can enjoy a dollop of a truly healthy scent of cupcake every day!
