

MOMENTUM MASTERS

By application only, this exclusive program amplifies success for Momentum Management graduates. It is perfect for those of you who strive for excellence both professionally and personally, and who would like to continue to benefit from the support that Momentum Management can provide.

- Be individually mentored by our most experienced consultants.
- Be part of an exclusive achievers' circle, with private events each year.
- Receive monthly online mentoring sessions delivered exclusively by our managing directors.
- Receive in-house training resources, templates and training videos for you and your team.
- Be able to access and participate in online training.
- Gain access to "members only" resources.

Momentum Masters combines mentoring, small group achiever circles, staff training, like-minded group Masters events, an online community and professional resources. Your membership gains you a safety net of support and a community that keeps you challenged and accountable. We have your back, so you can continue to grow and excel!

BE EXCEPTIONAL WITH PRACTICE ADVICE, MENTORING AND TRAINING.

- Monthly advanced online coaching sessions.
- Assistance with the development of your Annual Plan and monthly monitoring of all key KPIs.
