INFORMED CONSENT TO MASSAGE THERAPY

I understand that the massage I receive is provided for the purpose of basic relaxation, stress reduction, therapeutic relief of muscular tension and other healthful benefits. I further understand that massage should not be construed as a substitute for chiropractic/medical examination, diagnosis or treatment and that I should see a chiropractic doctor, medical doctor, or other qualified specialist for any other health ailment I am aware of.

I understand that massage therapists are not qualified to perform skeletal adjustments, diagnose and/or prescribe, and that nothing in the course of the session should be construed as such.

Because massage is contraindicated under certain conditions, I affirm that I have stated all my health conditions and answered all questions honestly. I agree to keep the therapist updated as to any changes in my chiropractic/medical profile and understand that there shall be no liability on the therapists part should I forget to do so.

I also understand that any illicit, sexually suggestive or inappropriate remarks made by me will result in immediate termination of the session and I will be liable for payment for the full scheduled appointment.

I hereby consent to massage therapy at this office. I intend this consent to apply to all my present and future massage therapy treatments.

Please ask if you have any questions about this agreement. By signing below, you hereby understand and agree to the above.
