"High Five for Chiropractic!"

"As a strong headed young man, I was sure my 'spinal' health was just fine. With Dr. Pat's thorough orientation process, I understood the importance and complexity of 'spinal' health and what is required to maintain it.

Prior to my treatment, I had shoulder and knee issues as well as posture challenges - you could think of me as the hunchback of Calgary.

Thanks to Michelle's and Dr. Pat's care and attention I am now a couple of inches taller and no longer have shoulder and knee challenges. I can't wait to hit the slopes this season and enjoy!

High Five Guys!"
