The patients who get the best results, are the ones that follow through with their recommendations!

Want to be our next patient of the week? Follow through with your care, and tell your family and friends about the importance of chiropractic care for whole body wellness!

It's that easy!

"I forgot what it was like to be pain free!"

I have fibromyalgia and have been in pain practically every day for the past 10 years. Since I have been coming to see Dr. Patrick I have been able to reduce my pain meds by half! I used to take meds in the morning to be able to make it through the day and then again at night to enable me to sleep. I haven't taken any pain meds in the morning since about my 3rd week with chiropractic and am more mobile every day. Michelle is always pleasant and helpful and Dr. Patrick is amazing!
