The

Wellness Centre

(CASTLE QUAY)

Floatation Therapy is a wonderfully relaxing experience, which can help to quickly melt away any aches, pains and/or stresses. Our **float SPA** enables guests to float effortlessly in our *Sensory Deprivation Pod* which is filled with warm water and saturated with over 500kg of Epsom Salts...! This treatment is fantastic on it's own, but may be used in combination with other treatments i.e. (Beauty, Chiropractic, Massage, Reflexology, etc.) to significantly enhance the benefits of these treatments as 1 hour in this time capsule has been shown to equate to 4-6 hours of deep sleep..!
