

APRICOT EXFOLIATOR

Apricot Exfoliator is a grape seed oil based scrub that combines a perfect blend of vitamins, anti-oxidants, UV protectors, hydrators, moisturizers and collagen and elastin builders to provide superior protection and gentle exfoliation. Benefits of grape seed oil within Herbalogica's Apricot Exfoliator:

- Contains natural alpha-hydroxy acid which gently exfoliates the skin to prevent the appearance of wrinkles and fine lines
- Is 50% more powerful than Vitamin C and Vitamin E
- Contains proanthocyanidins which are very powerful antioxidants that help diminish the sun's damaging effects and lessen free radical damage
- Contains linoleic acid which is critical in the health of the cell membranes in the skin
- Is a superior moisturizer and promotes regeneration of skin cells and helps cells maintain their normal structure
