

6. Immune support

Immucore

New and Improved - Immucore is designed to provide a multiple mechanistic approach to support immune system health through enhancing functions of macrophages, natural killer cells, and T cell subsets.

Benefits Include

- Offers a three-pronged approach to wellness with Ultra Potent-C® combined with zinc and a concentrated blend of mushroom extracts.*
- Uses a buffering delivery system to prevent potential stomach upset associated with vitamin C.*
- Vitamin D for long-term immune health support.*
- Ultra Potent-C has been shown to have 18% to 25% higher uptake in WBCs than plain vitamin C.*
- Zinc supports immune system health.*
- Nourishing mushrooms protect a stressed immune system.*
- Oleanolic acid and selenium provide antioxidant protection and immune support.*
