

**THE ANSWER TO YOUR HEALTH COULD BE IN YOUR BLOOD WORK**

**THREE EASY STEPS:**

1. **Call our office for your paper work.** You will need to fill out a metabolic assessment form, and 3-5 day diet diary. Soon you will be able to go to [www.haleyhealth.com](http://www.haleyhealth.com) for this paperwork.
2. **Schedule an appointment for blood work with your MD.** We will provide you with a letter telling your doctor what test we need to run our wellness analysis. This should not exclude any of the regular test you doctor might do and if this is a problem we will work with you.
3. **Bring or sent to the office the following:** Copy of your blood work, metabolic assessment form, and diet dairy. Once you present with this paperwork you can schedule an appointment for report of findings or phone consultation.

Your customized report of findings will analyze your individual blood work and assessment forms to provide to you a 5-10 report that will cover.

- Unhealthy blood patterns
- Lifestyle change recommendations
- Customized nutrition program
- Individualized supplement program
