## APPLICANT QUESTIONNAIRE

Name \_\_\_\_\_

Date \_\_\_/\_\_\_/\_\_\_

Date of Birth: (optional) \_\_\_/\_\_\_/\_\_\_

Please describe your philosophy on health.

What have you heard about chiropractic (good or bad), or what has been your experience with chiropractic?

In one or two sentences, describe what chiropractic is.

What is your passion in life?

What are your career goals?

Describe the ideal job for you.

We start each morning with a prayer or inspirational quote (each day being a different team member's day for offering the prayer or quote). How would you feel about this aspect of working here?

What was your favorite class in school?

How are you at working with people of different cultures, races, religions, sexual preferences, etc?

When you have an issue with someone else, how do you usually resolve it?

Are there any factors that may prevent you from making it to work on time?

Are you okay with touching people in a clinical setting, e.g. putting therapeutic electrical pads on skin, which may be sweaty, hairy, etc.

How are you at working with kids and the elderly?

Do you prefer direct supervision or to take a task and run with it?

What salary are you looking for (please don't put "negotiable")?

Are you able to go to seminars and health fairs on some weekends, including Sundays?

Is there anything else you think the doctor should know about you in considering you for this position?
