

UriCo Phytosynergist®

Kerry Bone's
Essentials

Content

200 mL (6.8 fl oz)

Product

M4500

UriCo Phytosynergist contains a blend of herbs to support normal urinary system function. These herbs provide a range of compounds including mucilage, an essential oil (consisting mainly of the monoterpene diosphenol), flavonoids, caffeic acid derivatives (especially echinacoside and cynarin), alkylamides, triterpenoid saponins (especially glycyrrhizin) and other saponins. These key phytochemicals and other compounds within this herbal formulation work to:

- support healthy mucous membranes within the urinary tract
- support healthy urinary tract function
- maintain healthy urinary tract tissue
- support healthy prostate tissue
- stimulate the immune system

Suggested Use: Dilute 5 mL (approx. 1 teaspoon) in water or juice 3 times daily, or as directed.

Complimentary Educational Tools

- **MediHerb Quality Brochure**

Additional Therapies

- Combine with **Echinacea Premium** tablets or **liquid** or **Andrographis Complex** tablets for additional immune support.
- Consider **Golden Seal 500mg** tablets for mucous membrane health.
- Increase water intake.

Caution: Contraindicated in known allergy to plants of the daisy family. Contraindicated in high blood pressure, edema (water retention), congestive heart failure, low blood potassium, pregnancy and lactation. Not to be taken long-term.
