

# [Balance] Multi Mineral, Vitamin, and Antioxidant

Along with [Life] Enzyme Blend, [Balance] is a "foundation product."

## Replenish

[Life] helps you get the most from your meals by unlocking key nutrients and making them available for absorption. As [Life] works, [Balance] replenishes your body with minerals, antioxidants and vitamins.

### \*[Balance]'s Breakdown:

- [Balance] contains vitamin C, derived from Acerola cherries. Natural Vitamin C gives you the best form for absorption over vitamin C found in store brands.\*
- [Balance] also contains a blend of foods to boost phytonutrient intake, which is a beneficial substance to human health and disease prevention.\*
- In addition, [Balance] has a blend of nutrients (Green Tea leaf, Cocoa bean, Guggul gum resin, and Yerba Mate leaf) to boost your metabolism.\*
- The final touch to [Balance] is a blend of vegetarian enzymes to support digestion of the food components found within the vitamin. Enzymes help you digest food easily and reduce bloating.\*

Supplement Facts		Serving Size: 3 Capsules
		Servings Per Container: 30
	Amount Per Serving	% Daily Value
Vitamin A (from Blakeslea trispora)	5,000 IU	100%
Vitamin C (from Acerola cherry)	60 mg	100%
Vitamin E (as d-alpha tocopherol from Sunflower oil)	30 IU	100%
Calcium (as calcium bisglycinate chelate)	130 mg	13%
Iodine (from wild harvested kelp)	75 mcg	50%
Magnesium (as magnesium bisglycinate chelate)	65 mg	16%
Zinc (as zinc bisglycinate chelate)	8 mg	50%
Selenium (as selenium amino acid complex)	35 mcg	50%
Copper (as copper bisglycinate chelate)	1000 mcg	50%
Manganese (as manganese bisglycinate chelate)	1000 mcg	50%
Chromium (as chromium nicotinate glycinate chelate)	60 mcg	50%
Molybdenum (as molybdenum blycinate chelate)	38 mcg	50%
Potassium (as potassium amino acid complex)	5 mg	0.14%
FOOD BLEND	320 mg	*
Ashwagandha extract, dandelion leaf extract, shitake mushrooms powder, goji berry powder, wild yam root, acai berry extract (10% polyphenols), marigold flower, and vitamin E blend (tocopherols and tocotrienols), camu camu powder, noni fruit powder		
ANTIOXIDANT BLEND	200 mg	*
Pumpkin, resveratrol, grape seed extract (95% anthocyanidins), leutin (from marigold), zeaxanthin (from marigold), broccoli floret extract, olive leaf extract (15% oleuropeins), and green tea extract (95% EGCG).		
TE - BLEND DELIVERY SYSTEM	30 mg	*
Molasses, Amylase, Protease I, Peptidase, Invertase, Hemicellulase, Serrapeptidase, Lactase, Lipase, Cellulose, Protease II, Maltase		
Boron (as bororganic glycinate chelate)	750 mcg	*
Vanadium (as vanadium nicotinate glycinate chelate)	6 mcg	*

\*Daily value not established.  
 Other Ingredients: Vegetable capsule (hypromellose), Organic rice flour, Organic rice hull concentrate, Organic rice bran extract.

### \*[Balance]'s Benefits:

- **Daily nutrition to support general wellness**
- **Source of minerals, as amino acid chelates**
- **Antioxidant support (SOD)**
- **Added nutrition to support the body's balanced response to stress**

Each [Balance] mineral ingredient is formulated with special organic mineral elements known as mineral amino acid chelates (pronounced key-late-s).

In simple terms: Your body is designed to digest food and absorb the minerals in that food. But your body has a hard time absorbing minerals that aren't in food. This is why many multi- vitamins and minerals from off the shelf don't work: your body doesn't love raw minerals that aren't found in food. Tranont's minerals are coated with an organic layer that mimics food which makes your body happy!

**Chelates give the body the ultimate chance to absorb each mineral for the best results.**

Contact me today to find out more about [Balance]!

## Science Makes The Difference

Chelated Mineral

Bound by proteins that mimic food for greater absorption.

Vs.

Non-Chelated Mineral

Raw mineral, more difficult for the body to recognize and absorb.
