The purpose of this office is to educate as many families as possible about the spinal condition where the spine shifts out of alignment; known as **Vertebral Subluxation**. Vertebral Subluxation destroys an optimal spine and your ability to have Optimal Health. Your experience at this office will not only be of healing but also of learning how your body functions and how you can best take care of it. Our goal is to help you to **Center, Heal and Renew**.

I understand and agree that health and accident insurance policies are an arrangement between an insurance carrier and myself. Furthermore, I understand Broadway Family Chiropractic will prepare any necessary reports and forms to assist me in making collections from the insurance company and that any amount authorized to be paid directly to BFC will be credited to my account. However, I clearly understand and agree that I am personally responsible for payment. I understand that all first day visit charges are payable when services are rendered.
