

April Webinars

Half Hour To Health

Apr. 6th
6:30 pm

EVERYONE is invited! You're going to learn why people get sick in the first place, and how they get well & stay well, for life. This information is valuable whether you've been adjusted 2 times or 700 times. Have you ever wondered why some people have pain, muscle spasms, fatigue, indigestion, skin problems or infertility, and other people do not? This is just the beginning of the information Dr. Kalaba will cover in this Half Hour to Health workshop!

Natural Solutions for Your Allergies

Apr. 14th
6:30 pm

If there was a natural, safe, and effective way to stop allergies forever, would you listen? Allergy-suffers get excited because there is an all-natural and safe solution that will eliminate the side-effects of the dreaded allergy season. Tucson is entering full bloom! In order to better understand how to resolve your challenge, let's first dig into the root cause of allergies. Our goal with this webinar is to discuss in detail some natural approaches to allergy relief. We will be sharing the positive effects of natural remedies including exercise, vitamins, and diet to name a few.

Metabolism in the Dumps?

Apr. 19th
6:30 pm

Learn more about natural methods of losing weight while restoring your body to its most balanced state. We'll be discussing various ways that people go wrong when they aim to lose weight by unnatural means and also delving deeper into some methods that work to help you achieve weight loss by means of optimum health.
