

To our Practice Members:

As the health of our community, practice members and our staff is our utmost priority, in following public health authority recommendations on social distancing we have made the difficult decision to postpone all regular chiropractic treatments for two weeks.

Our Chiropractors will be available to treat acute and emergency patients only during this time.

We will return to our regular practice hours on Thursday April 2, 2020 with social distancing and safe practice measures continuing to be within our clinic.

A staff member will be available Monday – Friday from 9:00 am – 5:00 pm to assist practice members.

Please note that we will be monitoring advisories by the public health authorities closely and will update you if we need to extend this projected re-opening date.

We apologize for any inconvenience this may cause. Trust that we recognize the importance of your health care appointments and appreciate your understanding as we navigate this unprecedented and challenging situation together.

BEFORE ENTERING OUR CLINIC:

1. Have you traveled outside of the country within the past 14 days?
2. Have you felt any symptoms of the cold/flu within the past 14 days?
3. Have you been in contact with anyone experiencing cold/flu symptoms or anyone who has been diagnosed with the COVID-19 virus in the past 14 days?

IF YES TO ANY OF THE QUESTIONS ABOVE, PLEASE CALL OUR OFFICE SO WE CAN BEST ASSIST YOU.

We are all in this – together.

Dr. Kim Greene-DesLauriers & Dr. Pierre DesLauriers
