

QUOTE In-House Training Visit provided at your Clinic

What is an In-House Training Visit?

Dr John Flutter and his Assistants/Myobrace Educators can visit your clinic to provide In-House Training specific to your needs.

Training can be structured to your clinics requirements and can involve a combination of theory and practical training sessions involving your patients.

Following are some training topics that can be covered:

- Myobrace Therapy
- Diagnosis & Treatment Planning
- Arch Expansion with Biobloc stage 1
- Arch Expansion with The Farrell Bent Wire System
- Postural Correction & Breathing Retraining
- Case mentoring

Cost per day
