_____Cash

Payment is due at the time services are rendered. We accept cash, check, debit, Visa, Mastercard, Discover and AmEx cards.

_____Insurance Plan

Many insurance policies provide coverage for chiropractic care. Benefits will vary from policy to policy and cannot be guaranteed until an Explanation of Benefits (EOB) is received. Payment on your first visit is required to establish your account. We will contact your primary carrier to obtain benefits and process your claims. Any remaining balance is your responsibility.

_____Medicare

Payment is due at the time services are rendered. Exams, x-rays and supplements are a non-covered service with Medicare. We will submit your charges to Medicare. We are considered non-assignment; therefore, any EOB's and/or payments made by Medicare will be sent directly to you.

_____Medicaid

For managed care plans, WellCare Health Plan and Nebraska Total Care are accepted. We are out of network with United Health Care, so Medicaid provided through United HealthCare will not cover our services. Visit limits and co-pays may apply.

_____Personal Injury

_____Worker's Comp

Prior approval is typically required before any services are rendered. Obtain and provide Green Chiropractic with the name of your employer's work comp insurance carrier and claim number.

I clearly understand that all insurance coverage is an arrangement between my insurance carrier and myself. If this office chooses to bill any services to my insurance carrier that they are performing these services strictly as a convenience to me. The chiropractic office will provide any necessary reports or required information to aid in insurance reimbursement of services, but I understand that insurance carriers may deny my claims and that I am ultimately responsible for any unpaid balances. Any monies received will be credited to my account.
