FINANCIAL POLICY AND INSURANCE ARRANGEMENT

Because of the individualized and comprehensive care offered by McGuckin Chiropractic, we need your cooperation with certain matters to make sure every patient has his or her needs met.

McGuckin Chiropractic and Brian McGuckin, D.C. are not affiliated with any network nor any preferred provider organization. All billings are considered OUT OF NETWORK and may carry a separate deductible based on your policy provisions.

Payment for services is due at the time of service. We accept cash, checks, Master Card, Discover, Visa, and American Express. We can provide you with a receipt of services that can be sent to your insurance company for reimbursement. For your convenience we can file the insurance claim for you. When we send in the claim, there is a tendency for the insurance companies to send the reimbursement to the office. When this happens we will forward the reimbursement to you.

Insurance coverage and your care. We will gladly discuss your proposed diagnostic testing and treatment and answer any questions relating to your insurance reimbursement. Please be aware that we do not guarantee what coverage your health insurance policy provides.

Medicare reimbursement is limited to spinal adjustments only. Medicare requires that the office submits all claims. We are happy to do this for you. Medicare limits reimbursement for services performed by a chiropractor to spinal adjustments only.

Thank you,
