I understand that, under the Health Insurance Portability and Accountability Act of 1996 (HIPAA), I have certain rights to privacy regarding my protected health information. I understand that this information can and will be used to: conduct, plan, and direct my treatment and follow up with multiple healthcare providers who may be involved in that treatment directly or indirectly, obtain payment from third party payers, and conduct normal healthcare operations such as quality assessments and physician's certificates. FINANCIAL POLICY

Our goal is to provide the highest quality of healthcare possible for our patients. In order to achieve this goal, we need your commitment as well.

- We urge our patients to follow the doctors' recommendations for care. Please keep your appointments as scheduled or call our office within 24 hours to make any changes. In order to attain the level of achievement we both desire, care must be followed.
- I authorize Expressing Life Chiropractic (ELC) to release any information deemed appropriate concerning my physical condition to any insurance company, attorney, or adjuster in order to process any claim for reimbursement charges incurred by me.
- Chiropractic care in this office deals with vertebral subluxation, and will therefore be billed under the S8990 adjustment code. While we will provide an itemized receipt upon your request, we anticipate that care will not be reimbursed by a third party carrier. This does not apply to PI, WSI, In-network Insurance or Medicare. HSA and FLEX spending accounts may be utilized.
- I authorize the direct payment to ELC of any sum I now or hereafter owe by my attorney out of settlement of my case, and by any insurance company obligated to make payment to me or ELC based in whole or in part upon the charges made for services received. I hereby appoint ELC authority to endorse and cash checks, drafts, or money orders made payable to the undersigned or as co-payee with this clinic or payments due for services rendered on behalf of the undersigned by ELC.
- If you have any questions about our financial policies, please ask our staff. If you need to make special arrangements, please ask. We will do everything possible to meet your financial needs
- Advanced Beneficiary Notice of NON-Coverage (ABN). Your health insurance does not pay for everything, even some care that you or your health care provider have good reason to think you need. We expect your health insurance will not pay for items and services such as your initial visit and any chiropractic care deemed maintenance or wellness care by your carrier (as well as other items that may arise in the future). Signing below signifies that you want these items and services, but understand that they will not be billed to your insurance company. Therefore, you are responsible for payment and cannot appeal to your insurance carrier as they were not submitted and/or billed to them. This notice gives our opinion, not an official Medicare or other insurance carrier's decision. If you have other questions, please ask our staff. Signing below means that you have received and understand this notice.

AUTHORIZATION FOR CARE

I hereby authorize the doctors and staff at ELC to treat my condition as deemed appropriate. At ELC, we do not diagnose or treat any disease or condition other than vertebral subluxation and the doctors/clinic will not be held responsible for any pre-existing medical conditions. I certify that the above information is correct to the best of my knowledge. I will not hold the doctors or any staff member of ELC responsible for any errors or omissions that I may have made in the completion of this form. Chiropractic, as well as all other types of health care is associated with potential risks in the delivery of treatment. While chiropractic treatment is remarkably safe, you need to be informed about the potential risks related to your care to allow you to be fully informed before consenting to treatment. Please inquire if you have further questions. Chiropractic is a system of health care delivery and therefore, as with any health care delivery system, we cannot promise a cure for any symptom, condition, or disease as a result of treatment in this office. An attempt to provide you with the very best care is our goal, and if the results are not acceptable, we will refer you to another provider who we feel can further assist you.

Advanced Beneficiary Notice (ABN)

EXPRESSING LIFE CHIROPRACTIC

The purpose of this form is to help you be aware of chiropractic services in this office as it relates to any medical insurance you may have. Chiropractic care in this office is not focused on diagnosis of or relief of symptoms; it is centered on the location, analysis, and correction of underlying vertebral subluxations. Because of this, all services are coded in a manner which insurance carriers view as maintenance or wellness care and most likely will not be covered. Signing below signifies that you want the services provided in this office, but understand that they will not be billed to your insurance company. Therefore, you are responsible for payment and cannot appeal to your insurance carrier as they were not submitted and/or billed to them. This notice gives our opinion and policies as it relates to insurance coverage, not an official Medicare or other insurance carrier's stance or decision. Signing below indicates you have received and understand this notice.
