

THE FACE OF

Synergistic Chiropractic Care

DR. BRAD E. FRAUM

As advanced models have emerged in healthcare, these top physicians are leaders on Hilton Head Island. Dr. Fraum and his team have achieved synergy in health care through chiropractic, stem cell therapy and functional medicine. They go beyond treating symptoms to get to the root cause of healthcare issues. Fraum Chiropractic Life Center's patient population includes all age groups. Brad Fraum, DC, Brian McGinnis, DC, Bradley Morris, DC and Heather Hinshelwood, MD, FACEP believe that every patient deserves optimal health, meaning a life without pain and disease. The simple motto "what is best for the patient" has guided the practice since 1991. Patients have enjoyed getting to know these leading experts, who are all interdisciplinary doctors focused on each patient's individual needs and goals to get well and stay well. Team Fraum values the trust shown by their patients through their referrals. The practice has been voted Hilton Head Reader's Choice for 10 years in a row.
