Notice of Privacy Practices:

Our practice is dedicated to maintain the privacy of your health information according to the guidelines set forth by federal and state law. These laws also require us to provide you with notice of privacy practices, and to inform you of your rights and our obligations concerning your health information. The undersigned hereby acknowledges that I have received, reviewed, understand, and agree to the Notice of Privacy Practices of Fangman Family Chiropractic, which describes the practice's policies and procedures regarding the use and disclosure of any of the Protected Health Information created, received or maintained by Fangman Family Chiropractic.

Initial: _____

Patient's Rights and Responsibilities:

Health care involves a partnership between patients, families, and health care providers, each of whom have certain right and responsibilities. When you are well-informed, participate in treatment decisions, and communicate openly with your doctor and other health professionals, you help make your care as effective as possible. This clinic encourages respect for the personal preference and values of each individual. The undersigned hereby acknowledges that I have received, reviewed, and understand my right and responsibilities.

Initial: _____

Statement of Informed Consent:

Chiropractic adjustments are performed in our office by skilled doctors of chiropractic who have successfully completed advanced educational requirements, national board examinations, and state board examinations, and state board examinations. As with any healthcare procedure, there are some inherent risks that exist. Whenever possible the risk is minimized to its lowest level. Our doctors and staff make every effort possible to provide the safest chiropractic care available. The undersigned hereby consents to evaluation and treatment rendered according to the applicable standards of care. It is understood that options exist for treatment and that any/all treatments have risks and benefits. If the risks and benefits of proposed treatment are not clear to me, I understand that further information may be requested from the doctor.

Initial: _____

Assignment of Benefits:

Assignment of benefits is simply authorizing Fangman Family Chiropractic to file charges directly to your insurance company, saving you time and effort of filling claims yourself. The undersigned hereby authorizes Fangman Family Chiropractic to submit my insurance claims to my insurance company. By having my signature on file, I need not sign each claim submitted by their office. I understand that I may withdraw my signature at any time. I also understand that I am ultimately responsible for all charges for which my insurance does not pay.

I clearly understand and agree that all services rendered to me are charged directly to me and that I am personally responsible for payment. I agree that I am responsible for all bills incurred at this office. The Doctor will not be held responsible for any preexisting medically diagnosed conditions nor for any medical diagnosis. I also understand that if I suspend or terminate my care, any fees for professional services rendered to me will become immediately due and payable.

Initial: _____

Fangman Family Chiropractic, P.C.

I hereby authorize assignment of my insurance rights and benefits directly to the provider for services rendered. I understand and agree that health and accident insurance policies are an arrangement between an insurance carrier and myself. I understand that Fangman Family Chiropractic will prepare any necessary reports and forms to assist me in collecting from the insurance company and that any amount authorized to be paid directly to Fangman Family Chiropractic will be credited to my account on receipt.

I have read and understand the Notice of Privacy Practices. A more complete description can be requested. I also understand that I can request, in writing, that you restrict how many personal information is used or disclosed.

The information I have provided above is accurate to the best of my knowledge and will be used to determine appropriate chiropractic care.
