

Our Guarantee

Our practice is built on the simple truth that if we satisfy and delight our patients, they will get well faster and are more likely to tell others of their experience with us.

As results vary, we cannot guarantee these, but we can guarantee your satisfaction. So if within 2 weeks of starting your care and having followed our recommendations, you are not totally happy with your decision to begin care with us, we will refund your treatment fees.

If you would like to discuss this or any other aspect of your health prior to starting care with us, you are welcome to book in for a FREE 15 minute consultation with one of our chiropractors.
