

FAIRFIELD SPINE CENTER, LLC

1600 Sheridan Drive • Lancaster Ohio 43130 • (740) 687-5002

The Trusted Chiropractic Professionals!

Will anything cure your Arthritis?

No... it's all about MONEY. The big drug companies make billions of dollars each year in sales of anti-inflammatory drugs that don't cure your arthritis but do, often, have serious side-effects. Primary treatment controls for both OA and RA are exercise, physical therapy, and appropriate supplementation.

Fairfield Spine & Wellness Center can help you CONTROL your Arthritis and pain without drugs.

Come in and experience:

- **Board Certified, skilled chiropractic doctors**
- **FREE initial consultation**
- **Gentle methods and treatment**
- **State of the art procedures & equipment**
- **Rehabilitation services offered on premises**
- **No contracts or long term commitments**
- **Convenient hours & Flexible Scheduling, Walk-ins Welcome**
- **Nutrition counseling, weight loss management, diet education and organic supplements**
- **Discounts available for cash (excluding Personal Injury, Medicare/Medicaid, Worker's Comp cases)**

Our patients say: "The doctor's manipulations and exercise were reducing the pain, now I know how to manage the pain without drugs." Emily
