

FAIRFIELD SPINE CENTER, LLC

1600 Sheridan Drive • Lancaster Ohio 43130 • (740) 687-5002

The Trusted Chiropractic Professionals!

SAFE or SORRY . . . Sports Injuries

The fact: one moment it is fun and games – the next, someone is lying on the ground HURT! Nationally, over 775,000 children are treated in hospital emergency rooms annually for sports-related injuries. Most of these injuries are sprains and strains. Only 5% involve broken bones. Prevention involves muscle strength, stamina and flexibility.

Rehabilitation involves knowledge and skill from medical professionals.

Fairfield Spine & Wellness Center can administer & guide your child's REHABILITATION after a sports injury. We can also assist with conditioning for future sports injury prevention.

Come in and experience:

- **Board Certified, skilled chiropractic doctors**
- **FREE initial consultation**
- **Gentle methods and treatment**
- **State of the art procedures & equipment**
- **Rehabilitation services offered on premises**
- **No contracts or long term commitments**
