

Join me for a one day intensive pregnancy practical workshop to learn how to take care of your pregnant clients with ease and skill. This specific, unique programme designed for chiropractors covers many areas providing up to date, relevant and important information to ensure you have a deeper understanding and new skill set to take immediately back into practice.

- A focus on ensuring you gain immediately useable skills that can be instantly applied to practice
- Learn and workshop adjustment protocols to ensure good nerve system and pelvic function to appropriately and effectively care for pregnant clients
- Show how to build a family based practice and feel more confident caring for Mum's to be from bump, birth and beyond

LOOKING FORWARD TO MEETING YOU
ALL ON SUNDAY 3RD FEBRUARY 2019

Much Love, *Kelly xxx*

HEAR WHAT SOME PEOPLE HAVE TO SAY THAT HAVE ALREADY ATTENDED:

'Best one day workshop I've been on! Easy to follow and apply to practice - regardless of technique you're using! Thank you.'

MICHAEL JOHN MCBEAN

'All my associates go on Kelly's courses. Her knowledge is incredible and she's the personal Chiropractor to my baby.'

RYAN RIEDER

'Such incredible value at the workshop! You will get to learn from one of the absolute pregnancy gurus! Just go!'
